STATUS REQUEST

SIR:

The above referenced patent application has a filing date of July 27, 2000.

On November 30, 2004, applicants submitted a response to a final rejection. It was telefaxed and received, as is evidenced by both PAIR, and the attached facsimile receipt.

More than 3 months have past, and nothing has been received by applicants in reply to their submission. The reasons for this are not understood, and an explanation, plus an action, are requested.

Respectfully submitted,

FULBRIGHT &amp; JAWORSKI, L.L.P.
